

DAVID B. FELDMAN, PH.D.

Associate Professor, Department of Counseling Psychology
Santa Clara University, 500 El Camino Real, Santa Clara, CA 95053
(408) 554-4462, dbfeldman@scu.edu

Education

Postdoctoral Fellowship, VA Palo Alto Health Care System, Palo Alto, CA (2004-2005)

Program: Postdoctoral fellowship focused on populations with chronic, life-limiting, and terminal health conditions. Activities included clinical work, research, and supervision of psychology interns and practicum students.

Clinical Settings: Hospice and Palliative Care Center, Oncology-Hematology Outpatient Clinic, Behavioral Medicine Consult Service, Spinal Cord Injury Center

Clinical Psychology Internship, VA Palo Alto Health Care System, Palo Alto, CA (2003-2004)

Program: American Psychological Association accredited clinical psychology internship program

Clinical Settings: Hospice and Palliative Care Center, Spinal Cord Injury Center, National Center for Posttraumatic Stress Disorder, Outpatient Mental Health Clinic

Ph.D. in Clinical Psychology, University of Kansas, Lawrence, KS (1998-2004)

Program: American Psychological Association accredited clinical psychology program

B.A., DePauw University, Greencastle, IN (1994-1998)

Major: Psychology, *Minor:* Spanish

Graduated Magna Cum Laude

Areas of Expertise

- Hope—research, measurement, and treatment applications.
- Maintenance of hope and meaning in the face of negative life events.
- Interventions derived from positive-psychology constructs.
- Psychological aspects of chronic and terminal medical illness.
- Posttraumatic stress and posttraumatic growth.
- Cognitive-Behavioral Therapies.

Feldman, D. B. (2008, July). *Counseling the family caregivers of terminally ill patients*. Invited presentation delivered at the annual National Clinical Geropsychology Conference, University of Colorado at Colorado Springs.

Feldman, D. B. (2008, May). *The psychosocial treatment of posttraumatic stress disorder at the end of life*. Invited presentation delivered at the Department of Veterans Affairs Collaborations in Home and Community-Based Care conference, Minneapolis, MN.

Clinical Work

Spinal Cord Injury Center, Inpatient Unit, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: March 2005 to September 2005

Duties: Worked with quadriplegic and paraplegic patients with terminal or life-threatening diseases. Performed assessment, individual and family therapy, and consultation with medical professionals. Trained psychosocial personnel to speak with patients about death-and-dying issues.

Hospice and Palliative Care Center, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: March 2003 to September 2005

Duties: Assessment, diagnosis, treatment planning, individual therapy, family therapy, couples therapy, consultation with physicians, nurses, and social workers. Populations treated include inpatients and outpatients suffering from chronic, untreatable, and/or terminal illnesses such as cancer, congestive heart failure, chronic obstructive pulmonary disease, and others.

Oncology-Hematology Clinic, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: September 2004 to March 2005

Duties: Intake, assessment, treatment planning, and treatment of individuals within an outpatient medical setting. Services offered include very brief as well as longer-term individual therapy, family therapy, and couples therapy in close consultation with physicians, nurses, and social workers. Populations treated include individuals with cancer and blood diseases.

Outpatient Mental Health Center, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: March 2003 to August 2004

Duties: Assessment, diagnosis, treatment planning, case-management, individual and group treatment provision. Populations treated included outpatients with various Axis I and II diagnoses.

Spinal Cord Injury Center, Inpatient Unit, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: September 2003 to February 2004

Duties: Assessment, diagnosis, treatment planning, individual therapy, family therapy, couples therapy, consultation with physicians, nurses, and social workers. Populations treated included veterans and active-duty military personnel with paraplegia, quadriplegia, and multiple sclerosis.

National Center for PTSD Residential Program, VA Palo Alto Health Care System, Palo Alto, CA

Dates of work: September 2003 to February 2004

Duties: Assessment, diagnosis, group facilitation, trauma focus/exposure therapy, case-management. Populations treated included veterans of the Korean, Vietnam, and Persian Gulf Wars.

University of Kansas Mediation Clinic, Lawrence, KS

Dates of work: July 2001 to May 2003

Duties: Co-mediator of divorce disputes. Population consisted of adults ages 26 to 50.

University of Kansas Psychological Clinic, Lawrence, KS

Dates of work: June 1999 to July 2003

Duties: Intake, psychological testing, assessment, diagnosis, individual therapy, family therapy, couples therapy. Populations treated included adults and adolescents with a variety of diagnoses.

St. Joseph Children's Treatment Center, Dayton, OH

Dates of work: May to August (Summer), 1997

Position: Residential Treatment Specialist

Duties: Daily care of children in residential treatment, co-facilitation of anger management and social skills groups. Population treated consisted of children ranging in age from 6 to 12 with a variety of diagnoses.

Twin Valley State Mental Health Center, Dayton, OH

Dates of work: May to August (Summer), 1996

Position: Summer practicum student

Duties: Assisted in the daily care of individuals with Schizophrenia and aided in the facilitation of psychoeducational groups to increase medication compliance. Population treated consisted of adults found "Not Guilty by Reason of Insanity" of a felony.

Teaching Experience

Associate Professor, Department of Counseling Psychology, Santa Clara University, Santa Clara, CA (Sept. 2005 to present)

Courses: CPSY 217 (Short-Term Approaches to Psychotherapy), CPSY 218 (Theories of Personality and Psychotherapy), CPSY 224 (Evidence-Based Treatments I), CPSY 225 (Evidence-Based Treatments II), CPSY 265 (Cognitive-Behavioral Therapy), CPSY 318 (Clinical Assessment I: Advanced Psychopathology), PSYC 160 (Personality).

Duties: "CPSY" courses are instructed in the graduate counseling psychology program, "PSYC" courses are instructed in the undergraduate psychology program.

Center for Professional Development, Santa Clara University, Santa Clara, CA (Sept. 2006 to present)

Courses: CPSY x236 (Cognitive-Behavioral Therapy: Basic Concepts and Techniques), CPSY x237 (Working with Schemas: An Advanced Cognitive-Behavioral Technique); CPSY x263 (Hope: What It Is and Why It's Essential in Psychotherapy), CPSY x681 (Counseling the Family Caregiver on End-of-Life Issues).

Duties: Courses are instructed in the continuing education program run by the graduate counseling psychology program at Santa Clara University.

Clinical Supervisor, VA Palo Alto Health Care System, Palo Alto, CA (Sept. 2004 to Sept. 2005)

Duties: Supervision of psychology interns and doctoral students in working with patients with a variety of health conditions, including cancer, chronic obstructive pulmonary disease, congestive heart failure, and spinal cord injury, as well as Axis I and II clinical issues.

Independent Study Supervisor, University of Kansas, Lawrence, KS (Spring 2000 to Spring 2003)

Duties: Responsible for supervising undergraduate research assistants and honors thesis students, providing students with reading material, and conducting research team meetings.

Assistant Instructor, University of Kansas, Lawrence, KS (Summer 2000 to Fall 2002 semesters)

Courses: 8 sections of PSYC104 (General Psychology), 6 sections of PSYC120 (Personality), and 2 sections of PSYC121 (Honors Personality)

Duties: Responsible for all aspects of instructing the courses listed above.

Grants, Awards, & Honors

“Great Psychology Book” of the Month, all-about-psychology.com (March, 2010)

Public Speaking for Psychologists was chosen as the March 2010 book of the month on this high-traffic web site for psychology students; past books of the month include Stephen Pinker’s *The Blank Slate* and Phillip Zimbardo’s *The Lucifer Effect*.

Presidential Research Grant, Santa Clara University (2009-2010)

Description: Recipient of a research grant from the university to conduct a study examining the association between being raised with a “helicopter” parenting style and levels of hope and locus of control in college students.

Thomas Terry Research Grant, Santa Clara University (2007-2009)

Description: Recipient of a research grant from the university to conduct a study testing the effectiveness of an intervention to raise hope and goal-achievement in college students.

Irving-Handelsman Graduate Student Teaching Award, University of Kansas (2002)

Description: First recipient of an annual monetary award given for outstanding performance as an instructor of psychology.

David Schulman Award, University of Kansas (2001)

Description: Annual monetary award given for overall achievement as a clinical psychology graduate student.

Undergraduate Awards and Honors, DePauw University (1994-1998)

Phi Beta Kappa (national honors society for undergraduate academics), *Psi Chi* (national honors society in psychology), *Sigma Delta Pi* (national honors society in Spanish), *Magna Cum Laude*.
