- Morgan Consoli, M. L., & **Llamas, J.** (2012, May). *Influence of cultural values among Mexican college students*. Paper presented at the 2012 Qualitative Inquiry Conference, Champaign-Urbana, IL.
- Morgan Consoli, M. L., Cabrera, A. P., Casas, J. M., Prado, G., Noriega, E., **Llamas, J.**, Martinez, J., Ritchie, T. (2012, May). *The Santa Barbara Wellness Project: Evaluating two years of trainings*. Paper presented at the 2012 Qualitative Inquiry Conference, Champaign-Urbana, I.L.
- Llamas, J.**, Lopez, S., Gonzales, N., Cabrera, A., Noriega, E., Morgan, M., & Gheysens, N. (2011, August). *Characteristics of future leaders: Mediating effects of gender on resilience among Latino/as*. Poster presented at the 2011 American Psychological Association Annual Convention, Washington, D.C.
- Llamas, J.**, & Morgan, M. (2011, August). *Where are all our brown leaders?: Latina/o college students' experiences of intragroup marginalization on college adjustment, resilience, and thriving*. Poster presented at the 2011 American Psychological Association Annual Convention, Washington, D.C.
- Lopez, S., **Llamas, J.**, Ortega, S., Morgan, M. (2011, August). *Resilience among Mexican immigrants: Exploration of the construct of resilience*. Poster presented at the 2011 American Psychological Association Annual Convention, Washington, D.C.
- Lopez, S., **Llamas, J.**, & Quirk, M. (2011, August). *What Makes AVID Work?: Investigation of the Advanced Via Individual Determination program on students' motivation, protective factors, and resilience*. Poster presented at the 2011 American Psychological Association Annual Convention, Washington, D.C.
- Morgan, M. L., Cabrera, A. P., **Llamas, J.**, Noriega, E., Gonzalez, N., & Lopez, S. (2011, June). *Thriving in Latino/a immigrants to the U.S.: A qualitative study*. Symposium presented at the XXXIII Congreso Interamericano de Psicología, Medellín, Columbia.
- Solomon, B. J., Campero, J., **Llamas, J.**, & Brecht, C. (2010, November) *Developing a conceptual framework for adolescent female offending: Psychosocial characteristics and delinquent decision making*. Paper presented at the 2010 American Society of Criminology, San Francisco, CA.
- Morgan, M.L., Cabrera, A., **Llamas, J.**, & Gonzales, N. (2010, November). *The mentor/mentee*

relationship for Latina doctoral students. Presented at a symposium on Mentoring in Latina professional development: Lessons learned in the journey at the National Latina/o Psychological Association Conference, San Antonio, TX.

Llamas, J. & Morgan, M. (2010, November). *The Importance of family for Latina undergraduates: Impacts of experiences of intragroup marginalization on college adjustment.* Presented at the National Latina/o Psychological Association Conference, San Antonio, TX.

Morgan, M. L., Lopez, S. A., Cabrera, A. P., Ortega, S., **Llamas, J.**, Gonzales, N., & Lima, C. (2010, November) *Thriving and resilience in Latino/a populations: Intersections and discrepancies.* Poster presented at the National Latina/o Psychological Association Conference, San Antonio, TX.

Llamas, J. & Ramos-Sanchez, L. (2010, Aug). *Impact of friends on the college experience of Latino students.* Poster presented at the 2010 American Psychological Association Annual Convention, San Diego, CA.

Solomon, B. J., Roberts-Douglass, K., **Llamas, J.**, & Carrow, J. (2009, April) *Decision making among delinquent adolescents.* Poster presented at the Western Psychological Association, Portland, Oregon.

Llamas, J. & Ramos-Sanchez, L. (2009, Jan.). *Intragroup marginalization and acculturative stress among Latino college students.* Poster presented at the National Multicultural Conference Summit, New Orleans, LA.

Llamas, J., & Ramos-Sanchez, L. (2008, Nov.). *Intragroup marginalization among Latino undergraduates.* Poster presented at the National Latina/o Psychological Association Conference, Costa Mesa, CA.

Kroth, J., **Llamas, J.**, Pisca, N., Bourret, K., & Kollath, M. (2007, July). *Dreams and music preference .* Presented at the Annual Conference of the International Association for the Study of Dreams, Sonoma, CA.

Llamas, J. (2007, July) *Needs assessment for program implementation in a school setting.* Paper presented at the SDFDC Grantee Learning Community Conference, San Jose, CA.

Kroth, J., **Llamas, J.**, Pisca, N., Bourret, K., & Kollath, M. (2007, September) *The effects of music preference on dreams.* Presented at the Dreams and Culture: 2nd International Conference of Nordic and European Network for the Study of Dreams, Lincoln, England, U.K.

RESEARCH EXPERIENCE

Primary Investigator (2015-present)

The Burden of Debt: Effects of Student Loan Debt on Academic Persistence among Economically Diverse College Students
Santa Clara University

- Internal grant funded to conduct phase one of a longitudinal study examining the effects of student loan debt and loan stress on college student academic and health outcomes

Primary Investigator (2015-present)

Discrimination and Intragroup Marginalization impacts on Young Adult Tobacco Use
Santa Clara University & University of California, San Francisco

- NIH-NCI funded Diversity Supplement conducting secondary data analysis to explore patterns of discrimination and intragroup marginalization on young adult tobacco use

Co-Investigator (2015-present)

Mexican Descent Youth Study
Santa Clara University

- Examine various factors impacting academic and health outcomes for Mexican descent youth in high school
- One publication is in press, a second will begin focused on cultural values and health

Investigator (2015-present)

Qualitative Experiences of Intragroup Marginalization
Santa Clara University

- Use a mixed methods approach to explore intragroup marginalization among Latina/o college freshman
- Qualitative analysis has been completed
- Future work will focus on integrating quantitative and qualitative findings for publication

Co-Investigator (2014-present)

Longitudinal Effects of Student Loan Debt on Perceived Returns and Academic Persistence Among Socioeconomically Diverse College Students
Santa Clara University

- Develop study across three universities to examine longitudinal impacts of student loan debt across socioeconomically diverse students
- Three grants have been submitted
- A research assistant will be hired to create the online survey and aid in recruitment

Co-Investigator (2013-present)

Discrimination and Intragroup Marginalization Impacts on Young Adult Tobacco Use
University of California, San Francisco

- Examine experiences of discrimination and intragroup marginalization among diverse young adults, using a mixed methods approach, to identify how these experiences impact tobacco use and motivating factors to use or not use.
- The National Institute of Health, National Cancer Institute Supplement to Promote Diversity in Health-Related Research was awarded to support this research
- Presentation of preliminary findings presented at UCSF Health Disparities Symposium

Primary Investigator (2010-2014)

Model of Co-occurring Trauma and Substance Use: Applying Latent Transition Analysis Methods to Cross-sectional Data

University of California Santa Barbara, Santa Barbara, CA
Supervisor: Karen Nylund-Gibson Ph.D.

- Develop and test a new application method for latent transition analysis using cross-sectional data
- Data acquired and cleaned from Santa Barbara County drug court

Primary Investigator: Doctoral Dissertation (2010-2014)

Resilience in the Aftermath of a Technological Disaster: A Community-Based Mixed Methods Study
University of California Santa Barbara, Santa Barbara, CA

Proposed: June 2012

Anticipated Defense: September 2013

Advisor: Melissa Morgan Consoli, Ph.D.

- Designed and implemented a study to examine psychological impacts of a community following the explosion of a natural gas pipeline in a residential neighborhood
- Wrote and submitted protocols for Institutional Review Board
- Applied for and managed grant funding
- Conducted a needs assessment with community members to develop project goals and objectives, with community members involved throughout the research process
- Conducted a two phase mixed methods study, using survey and open-ended questions and follow-up interviews
- Trained and supervised undergraduate research assistants in data collection

Graduate Researcher (2010-2013)

GauchosFYI, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Maryam Kia-Keating, Ph.D.

- Evaluated the effectiveness of a college intervention to reduce risk behaviors, including sexual activity and substance use
- Carried out group intervention with freshman students
- Cleaned and organized data for analysis
- Analyzed pre and post data for participants and control group
- Created report outline program outcomes

Project Coordinator (2010-2013)

Resilience/Thriving Scale, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Melissa Morgan Consoli, Ph.D.

- Created resilience/thriving scale based on previous research and literature
- Conducted literature reviews, collected data via internet survey, and analyzed psychometrics of scale

Graduate Researcher (2010-2013)

Mexican-American Cultural Values, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Melissa Morgan Consoli, Ph.D.

- Created research project to examine Mexican-American values impact undergraduates perceptions of problem-solving
- Conducted literature reviews, collected data via internet survey, and analyzed qualitative data with CQR and quantitative data with statistical software package

Graduate Researcher (2010-2012)

Thriving Qualitative Project, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Melissa Morgan Consoli, Ph.D.

- Attended meetings with research team
- Developed research project with research team to examine intergenerational differences of resilience among Latina/o college students
- Recruited participants and conducted interviews
- Analyzed data using CQR

Project Coordinator (2010-2012)

AVID program, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Matt Quirk, Ph. D.

- Created research project with team to examine internal impacts of the AVID program on students
- Wrote and submitted protocols for Institutional Review Board
- Conducted literature reviews, collected data in high schools, and analyzed with qualitative and quantitative methods
- Managed two research assistants in data collection, data entry, and transcription
- Prepared manuscripts for publication

Graduate Research Assistant (2010-2011)

PTSD Research Study Cottage Hospital, Santa Barbara, CA

Supervisor: Paul Erickson, M.D.

- Conducted assessments and follow-up assessments with trauma patients to determine cross-cultural predictors of post traumatic stress disorder in hospitalized trauma patients

Primary Investigator (2009-2011)

Impacts of Intragroup Marginalization among Latina/o Students

University of California Santa Barbara, Santa Barbara, CA

Supervisor: Melissa Morgan Consoli, Ph.D.

- Designed and implemented a study to examine impacts of intragroup marginalization among Latina/o college students
- Applied and managed grant funding
- Wrote and submitted protocols for Institutional Review Board
- Applied for and managed grant funding
- Collected and analyze data
- Prepared manuscript for publication

Graduate Researcher (2009-2011)

Resilience and Thriving, University of California Santa Barbara, Santa Barbara, CA

Supervisor: Melissa Morgan Consoli, Ph.D.

- Attended meetings with research team
- Created literature reviews on resilience and thriving
- Gathered data for study examining resilience and thriving among Latinos within the community

- Analyzed data using both quantitative and qualitative methods
- Wrote research results and findings
- Prepared manuscript for publication

Primary Investigator: Master's Thesis (2007-2009)

Intragroup Marginalization and Peer Support among Latina/o Students
 Santa Clara University, Santa Clara, CA
 Supervisor: Lucy Ramos-Sanchez Ph.D.

- Designed and implement a study to examine impacts of intragroup marginalization among Latina/o college students and mediating impacts of peer support
- Wrote and submitted protocols for Institutional Review Board
- Applied for and managed grant funding
- Collected and analyzed data
- Prepared manuscript for publication

Research Analyst (2007-2009)

Department of Drug and Alcohol Services, Data Analysis and Evaluation, Santa Clara, CA
 Supervisor: Deane Wiley, Ph.D.

- Attended Integrated Partnership meetings with representatives from various departments and outside treatment providers
- Assisted in on-going needs assessment of the county's substance abuse population to help determine the most cost effective way of using available resources
- Assisted in monitoring data quality and performance measures
- Performed statistical analyses and needs assessment for several outcome and performance measure projects, such as Calworks Project, Substance Abuse Crime Prevention Act, and Network for the Improvement of Addition Treatment
- Generated reports for policy and decision making for federal and state funding, such as Capacity Reports and Productivity Reports
- Worked on projects requiring cross-departmental project teams (i.e. work with Social Services and Mental Health to examine effectiveness of the state Calworks project)

Project Coordinator (2005-2007)

Department of Drug and Alcohol Services, Data Analysis and Evaluation, Santa Clara, CA
 Supervisor: Deane Wiley, Ph.D.

- Managed the evaluation of a bullying prevention program funded by a state grant (Safe and Drug Free Schools) being implemented in the East Side Union High Schools
- Attended cross-departmental meetings with attendants from the county and school district.
- Supervised and lead two research assistants, creating schedules and delegating and overseeing tasks
- Organized and conducted key informant interviews
- Established and carried out data collection procedures and monitored data entry
- Performed data analysis to generate mid-project and annual reports, examining progress outcomes
- Conducted data analysis and assist the Lead Evaluator in the final report write-up

Research Assistant (2005-2009)

Santa Clara University, Santa Clara, CA

Supervisor: Brett Solomon, Ph.D.

- Assisted in examination of juvenile detainees' decision-making and self-esteem while also evaluating the implementation of the Health Realization Program in juvenile detention facilities
- Conducted semi-structured interviews of detainees
- Analyzed qualitative and quantitative data
- Prepared findings for presentations and manuscripts

Research Assistant (2000-2005)

Santa Clara University, Santa Clara, CA

Supervisor: Lucy Ramos-Sanchez, Ph.D.

- Examined current research on ethnic minorities and their college experiences, specifically searching for ties between college adjustment and ethnic identity
- Examined research across documented and undocumented immigrants
- Wrote abstracts that summarized the current status of research and compiled lists of useful resources for the project

TEACHING EXPERIENCE**Assistant Professor (2014-present)**

Counseling Psychology Department

Santa Clara University, Santa Clara, CA

- CPSY 218: Foundations of Psychotherapy and Personality
- CPSY 220: Research Methods
- CPSY 231: Multicultural Counseling
- CPSY 317: Interventions with Children

Graduate Teaching Associate/ Instructor of Record (2011-2012)

Counseling, Clinical, and School Psychology Department

University of California, Santa Barbara, Santa Barbara, CA

- CNCSP 101: Introduction to Applied Psychology

Graduate Teaching Assistant (2010-2011)

Counseling, Clinical, and School Psychology Department

University of California, Santa Barbara, Santa Barbara, CA

- CNCSP 101: Introduction to Applied Psychology
- CNCSP 110: Introduction to Educational & Vocational Guidance

Teaching Interests:

Research Methods, Multicultural Counseling, Counseling Theories and Skills, Latino Psychology and Interventions, Child Psychology and Interventions, Personality, Substance Abuse Treatment & Addictions, Health Disparities

CLINICAL EXPERIENCE

Predoctoral Fellow/ Intern (2013-2014)

Clinical Psychology Training Program, University of California San Francisco, San Francisco, CA

Division of Substance Abuse and Addiction Medicine

- Provide brief psychotherapy to patient enrolled in methadone maintenance

Supervisor: Valerie Gruber, Ph.D., M.P.H

Hyperactivity, Attention, and Learning Problems Clinic

- Co-lead child groups focused on behavioral interventions to provide social and life skills training for children with ADHD

Case Manager (2011-2013)

Psychiatric Unit, Cottage Hospital, Santa Barbara, CA

Supervisor: Paul Erickson, M.D.

- Worked in a hospital setting with patients detoxing from drugs or alcohol or experiencing acute psychiatric symptoms
- Conducted assessments and structured clinical interviews with incoming patients
- Conducted individual, group, and family therapy
- Worked with multidisciplinary treatment team to develop and execute treatment plan
- Planned and executed discharge planning
- Worked with insurance companies, Medical, and Medicare for service authorization

Graduate Extern (2009-2010)

Psychiatric Unit, Cottage Hospital, Santa Barbara, CA

Supervisor: Paul Erickson, M.D.

- Worked in a hospitalized setting with patients detoxing from drugs or alcohol or experiencing acute psychiatric symptoms
- Conducted assessments and structured clinical interviews with incoming patients
- Conducted individual, group, and family therapy
- Worked with multidisciplinary treatment team to develop and execute treatment plan
- Participated in weekly supervision

Interviewer (2010)

CASE Treatment Program University of Santa Barbara, Santa Barbara, CA

Supervisor: Merith Cosden, Ph.D.

- Conducted interviews with college students who have completed an alcohol and drug program on campus for program evaluation

Graduate Student Clinician (2009-2010)

Hosford Clinic University of Santa Barbara, Santa Barbara, CA

Supervisor: Collie Conoley, Ph.D.

- Conducted intakes with new potential clients
- Administered assessments to clients
- Wrote progress notes and treatment plans for all clients
- Conducted therapy using a variety of techniques

- Wrote-up and presented case conceptualizations
- Participated in weekly supervision

MFT Trainee (2008-2009)

Bill Wilson Center, Santa Clara, CA

Supervisor: Connie Chrysoglou, MFT

- Conducted individual, group, and family therapy in outpatient, residential, and school settings
- Performed grief counseling (all ages)
- Established and lead groups on variety of topics: grief, anger management, coping skills, social skills
- Conducted therapy sessions in English and Spanish
- Attended monthly trainings on various topics including: grief, eating disorders, conducting intakes
- Participated in individual and group supervision

OTHER PROFESSIONAL EXPERIENCE

Consultant (2015-present)

CHI Recovery Center, Sebastopol, CA

- Serve as a co-consultant to CHI Recovery Center (and addictions treatment center) to develop a system for evaluation for the new program as well as help to conduct a formative evaluation of the program in its current form
- Tasks including meeting with program staff, developing a logic model, and working collaboratively with the primary consultant

Consultant (2015-present)

Santa Clara County, Santa Clara, CA

- Serve as evaluator and consultant for Prevention Early Intervention programs funded by the Mental Health Services Act
- Tasks include meeting with program and county staff, developing and implementing a logic model and core outcomes, and conducting formative and summative program evaluations

Consultant (2011-2012)

Built On Logic, Santa Barbara, CA

- Served as a consultant for an internet start-up company developing a web based consumer software product with mobile application to help self treat specific disorders, paralleling a project from the University of Michigan
- Reviewed treatment research for stress and anxiety
- Structured content for treatment of insomnia and anxiety

Resident Coordinator (2010-2011)

Apartment and Community Living, University of Santa Barbara, Santa Barbara, CA

- Facilitate neighborhood development and coordinate community events
- Assist residents in becoming connected to the campus community
- Educate residents about community standards and uphold policies

UNIVERSITY, DEPARTMENTAL, PROFESSIONAL SERVICE

UNIVERSITY

Faculty Senate (2015-present)

- Serve as the departmental representative for the Faculty Senate, expressing the needs and concerns of the faculty and well as keeping the department abreast of relevant issues
- Meet monthly for two hours and prepare and read relevant documents prior to meetings

Ignatian Faculty Forum (2015-present)

Santa Clara University

- Faculty leadership program to promote and develop future leaders
- Meet monthly for four hours and addition to complete additional outside readings

Adobe Lodge Board (2015-present)

Santa Clara University

- Serve as the School representative
- Review budge, provide recommendations for service improvement, disseminate information to the school concerning Lodge service and special events.
- Meet monthly for approximately 1.5 hours

DEPARTMENTAL

Faculty Advisor, Students of Color Group (2015-present)

Counseling Psychology, Santa Clara University

- Oversee graduate student association student of color group intended to support graduate students of color

Doctoral Planning Committee (2014-present)

Counseling Psychology, Santa Clara University

- Recruit, interview, and select program consultant to aid in developing doctoral program

Curriculum Committee (2010-2012)

Counseling, Clinical, School Psychology, University of Santa Barbara, Santa Barbara, CA

- Impacted decisions on student load, coursework, and credits
- Assisted in evaluating licensing and credential requirements
- Voiced student concerns and propose curriculum changes

Admissions Committee (2010-2011)

Counseling, Clinical, School Psychology, University of Santa Barbara, Santa Barbara, CA

- Helped to revise admissions policies
- Introduced department to prospective students, helped coordinate admissions interview weekend

Student Affairs Committee (2010-2011)

Counseling, Clinical, School Psychology, University of Santa Barbara, Santa Barbara, CA

- Addressed student issues/concerns and discuss policies that affect students
- Facilitated enhancement of student/faculty alliances
- Helped to coordinate Fall orientation for incoming students

PROFESSIONAL

Program Co-Chair, Division 45 Conference (2015-present)

Division 45, Society for the Psychology of Ethnic Minority Issues, American Psychological Association

- Aid in the planning for the Division 45 Conference to be held in June 2016

Website Manager, (2014-present)

Division 45, Society for the Psychology of Ethnic Minority Issues, American Psychological Association

- Develop and manage website for Division 45
- Oversee the new website launch
- Update material on website
- Promote communication between members and the division

Executive Committee Student Representative (2012-2014)

Division 45, Society for the Psychology of Ethnic Minority Issues, American Psychological Association

- Advertised, selected, and directed Division 45 student committee
- Created awards and grant opportunities for students, such as Division 45 Student Travel Award
- Assisted in planning webinars and other training opportunities for students
- Attend bi-annual meetings to discuss division issues
- Created protocol and process for future Student Representative elections

Committee Chair (2012-present)

Committee of on Ethnic Minority Affairs (CEMA), American Psychological Association Graduate Students

- Selected and oversaw APAGS CEMA members
- Facilitated and organized committee members to develop resources and programming for ethnic minority students
- Served on the executive committee of APAGS, representing ethnic minority concerns, and attending executive meetings
- Advocated for ethnic minority students within APA

Regional Coordinator (2011-2013)
