

Designate Instructor Eligibility

Overview

This quick reference guide will cover how to designate instructors to teach specific courses.

Process

1. In the main **Search Bar** type **Designate Instructor Eligibility** task.

A search bar with a magnifying glass icon on the left and the text 'designate' entered. Below the search bar, a suggestion card is visible with a document icon and the text 'Designate Instructor Eligibility Task'.

2. Select the instructor from the **Academic Appointee** prompt and click **OK**.

A form titled 'Designate Instructor Eligibility'. It has two main input fields: 'Academic Appointee *' with a dropdown menu icon, and 'Effective Date *' with a date picker showing '02/07/2023'. At the bottom, there are two buttons: 'OK' (orange) and 'Cancel' (white with orange border).

3. Specify each **Academic Unit** that the instructor is eligible to teach for. The options available in each field depend on the options that you select in the previous fields.

A screenshot of a multi-column selection interface. At the top, it shows 'Academic Appointee * Frank Farris', 'Effective Date * 03/03/2023', and 'Academic Appointment Track * P - Primary Appointment - Primary - AU_MATH - Mathematics and Computer Science Department - Professor'. Below this is a table with 5 columns: 'Instructor Roles', 'Academic Unit', 'Academic Levels', 'Course Subjects', and 'Courses'. Each column has a dropdown menu icon. At the bottom, there are 'OK' and 'Cancel' buttons.

4. Click **Done**
