

# How To Download Your MOBI Digital Badge

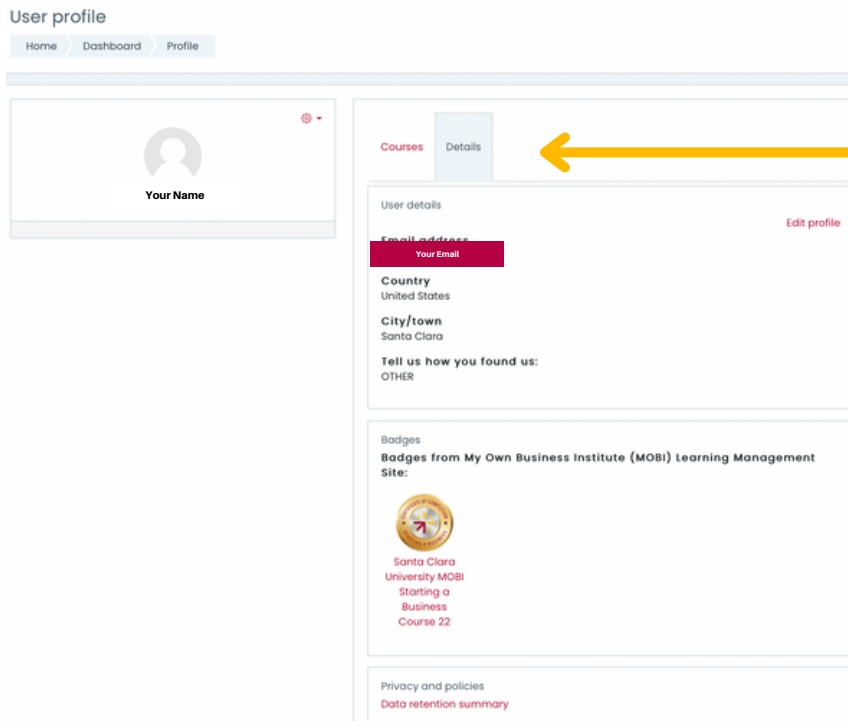

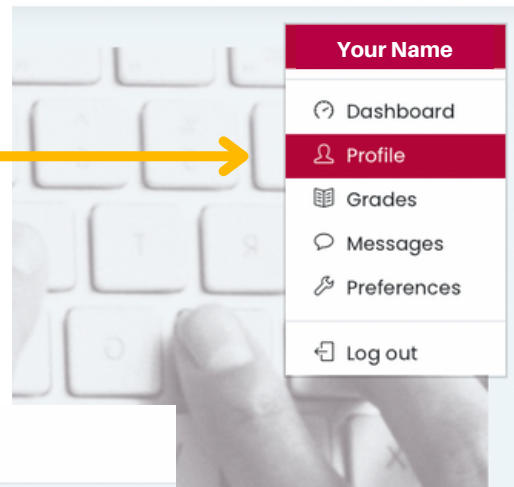

MOBI is honored to offer our students a **digital badge** when they successfully complete a course. Digital badges can be added to social media profiles, websites, and other communications to demonstrate your achievement.

**To earn a digital badge**, students must pass the final exam with a score of 80% or higher and submit the feedback survey (**for full courses**), or pass all quizzes with scores of 80% or higher and submit the feedback survey (**for badge short courses**). To view/download your badge:

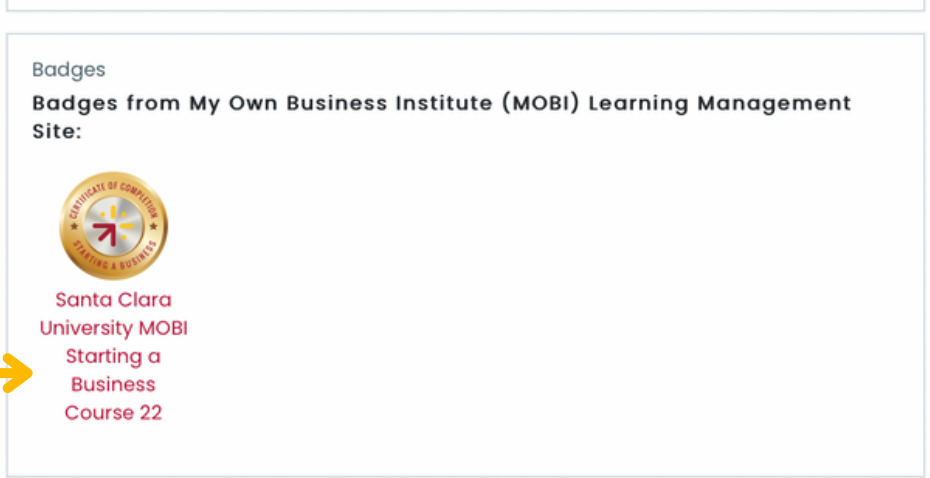

1) Simply look under your student profile, which can be found in the upper right corner of the screen.

2) Select Profile.

3) Click on the Details tab.

4) Once you open your profile, you can see the digital badges listed under “Badges.” Click on the hyperlinked title of the badge.

5) The link will bring you to this screen which provides further detail about the badge earned.

6) Then you have the option to download your badges and can add them to social media profiles and platforms, as well as your website, if you choose. Simply click on the download button.
