Studio Art Major with Animation and Illustration Emphasis

Studio art majors have the option of completing an Animation and Illustration emphasis within the major. Like the general studio art major, the emphasis requires the four foundation ARTS courses, four ARTH courses, ARTS 100, 190, and 196, and six additional studio ARTS elective courses; however, the elective courses need to be specific to the emphasis as listed below. Completion of the emphasis will be noted on the student's transcript. The emphasis is for studio art majors only. Students may only complete one emphasis.

Specific elective requirements to fulfill the Animation and Illustration Emphasis:

- ARTS 81
- ARTS 181
- One of the following courses from ARTS 131, 173, 179, 182, COMM 30, or 130
