

**Santa Clara University Financial Aid Office
2022-2023 Standard Verification Worksheet - Dependent**

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The U.S. Department of Education regulations state that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA.

To verify that you provided correct information, the Financial Aid Office at Santa Clara University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected by the Financial Aid Office.

- **You and at least one parent must complete and sign this worksheet, attach any required documents, and submit them to the Financial Aid Office.**
- **Please be sure to include your student’s name and SCU ID number on any attached documents and on any additional documents that may be sent later.**
- **Please submit documents in PDF format only. Photo attachments are not acceptable.**

After review, Santa Clara University may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.
