Housing Office
University Summer Housing Contract**

This UNIVERSITY SUMMER HOUSING CONTRACT ("USHC") is a legally binding agreement between the student who will reside in University-provided student housing ("Student") and Santa Clara University ("the University"), covering summer room accommodations in University-provided student housing ("Housing"). Both parties assume the rights and responsibilities outlined in the Terms and Conditions of Occupancy and all supporting documents upon approval of Student's request for Housing by University. This USHC is nontransferable.

This housing contract is not a lease and is not subject to California Landlord-Tenant laws. It is a license to occupy university-provided housing as part of an academic community. A license is a revocable contract. Therefore, Santa Clara retains the ability to revoke the right to occupy university-provided housing at any time. This agreement does not grant rights to possess or occupy a specific room or residence. You may be temporarily relocated to other university-provided housing or denied the privilege to live in university housing at any time in accordance with Santa Clara policies, as a result of an emergency, or as required by law.

This Agreement shall be governed by, and construed in accordance, with the laws of the State of California, without regard to its conflict of laws provisions. The parties further submit to, and waive any objections to, personal jurisdiction of, and venue in, the federal and state courts sitting in Santa Clara County, California.
