

SCU IRB Committee recommendations are as follows:

For government supported research

1. SCU to be the "Relying IRB". The "reviewing IRB or IRB of Record" must be a reputable institution prior to signing the reliance agreement.

Note: Reviewing or Recorded IRB is required to provide the following documents for SCU IRB to determine the quality /thoroughness of the protocol and whether to recommend SCU relying on the institution as the reviewing or recorded IRB to IO.

- Approved protocol
 - IRB approval letter
 - Consent form
 - HS training requirements of PIs
2. SCU contracting a "Commercial IRB" as the IRB of record (reviewing IRB) will be on a case-by-case basis (generally not in favor of this option as a rule).
