3. In Law and JST, FTE equals the number of units a student is enrolled in / number of units program is based on. Thus, FTE exceeds 1.0 for students enrolled in more than the base number of units for their program.
4. Number of units enrolled in does not include units from audited classes.
5. Students in non-degree programs or in JST's New Directions program are always considered part-time.
6. In the School of Law, the on-line Master of Legal Studies program operates on a quarter calendar. JST offers a January Intersession which operates on a quarter schedule Winter term.

NOTES

- Throughout this report, head count represents the number of unique (unduplicated) students enrolled at census. Occasionally, students enroll in two programs simultaneously (e.g., a graduate student enrolled as degree-seeking in one program and non degree-seeking in another program). The student would then be counted in the degree program only; units would be counted in the program where they were taken.
- Units shown in Total Enrollment are a sum of quarter and semester units from programs on quarter and semester calendars, respectively.
