SCU does not give transfer credit for P/NP, CR, or courses with a grade of C- or lower. Grades are not transferable to SCU, only units.

The following courses are not transferrable: most first-year seminars, internships, professional development courses, independent study courses, workshops, most physical education courses, remedial English and remedial mathematics courses.

Santa Clara University only accepts University of California transferable courses. In addition, SCU does not allow the following Sierra College UC transferable courses to transfer for credit: some Agriculture, English as a Second Language, Recreation Management, Rise and most Kinesiology courses. To view all Sierra's College's UC transferable courses, visit www.assist.org. **UC transferable courses not listed in this guide and not listed above as excluded will be accepted as elective units. After acceptance, students may petition a course that received elective credit to be evaluated, and if approved, fulfill a Core and/or major requirement.** Transfer credit evaluations for individual students are completed after admission to SCU. However, the following information will help students evaluate their own course work.

FOUNDATIONS Core requirements

Refer to the AP/IB Chart located in the current SCU Undergraduate Bulletin at: <https://www.scu.edu/bulletin/undergraduate/chapter-8/AcademicCreditEvaluation.html> for course equivalencies. Students are responsible for submitting the appropriate AP CollegeBoard or IB Report at the time of acceptance to receive such credit, or
- 3) Once admitted to SCU, a student can satisfy this requirement by demonstrating an equivalent level of proficiency through an intensive examination arranged through the Modern Languages department at SCU. Access detailed proficiency exam information at: <https://www.scu.edu/modernlanguages/student-resources/proficiency-exam/>
