Faculty/Staff: Complete this form within a week of starting work (*existing employees should also complete this form when starting new job duties or working in a new location*). **Supervisors should sign-off on this form when it is complete and retain on file.**

Student Employees: Complete this form with your Supervisor within a week of starting work. Hyperlinks to applicable documents and information are included where available. Be sure to contact your Supervisor, Lab or Shop Manager, Department Chair, Designated Building/Department Representative or SCU EHS with any questions regarding safe work practices. **Supervisors should sign-off on this form when it is complete and retain on file.**

If you have any questions regarding EHS training, contact Sean Collins at spcollins@scu.edu or visit the SCU EHS website: www.scu.edu/ehs/training

JST Emergency Procedures and Safe Work Practices

Required Knowledge Areas	Yes	New Employee Responsibilities
New Employee EHS Orientation		Complete the “ New Employee EHS Orientation ”. Instructions for accessing the online Camino course are on the EHS website. (EHS Website: New Employee Orientation)
Emergency and Injury Reporting		Ensure that you know how to contact emergency responders by calling 911 in the event of an emergency. Workplace injuries should be reported to the supervisor and Human Resources.
Emergency Evacuation		Locate your building’s emergency evacuation map (found in hallways/corridors). Verify where your building exits are and the evacuation routes (at least two) that you could take in an emergency. Locate your building’s Evacuation Assembly Point .
Emergency Procedures		Review JST Emergency Procedures for information on how to respond during an emergency such as a fire, earthquake, lock-down, etc. (Emergency Mgmt. Website: Emergency Procedures)
Emergency Equipment/Alarms		Find the location of your nearest fire extinguishers, fire alarm pull stations and automatic external defibrillator (AED - located near the reception desk 1735 Le Roy Ave).
Faculty/Staff Ergonomic Setup		If you work at a computer station for more than two hours daily, complete the Ergonomic Workstation Self Evaluation Checklist (EHS Website: Ergonomic Self Assessment Checklist)
Waste Diversion		Know where the recycling containers are and recycling procedures.
