## Do Now: 3 Items to Complete Before Fall Quarter

---

### 1. Activate Your Handshake Profile

Handshake is Santa Clara University's career management platform. Use Single Sign-on (SSO) to activate your Handshake account so that you can schedule career coaching appointments, register for career development and employer engagement events, and apply for jobs and internships.

### 2. Complete the Career Readiness Assessment on Focus2

There are 8 career readiness competencies that every Santa Clara University student must develop, such as teamwork, collaboration, leadership, and more. Complete this assessment to learn which ones you are already strong in, and which ones you need to continue to work on.
