COURSE DESCRIPTION: REIMAGINING YOUTH MINISTRY

This course explores the historical and contemporary dimensions and challenges of ministry to people in middle school and high school (6th-12th grade). The first part of the course examines the principles, foundations and history of youth ministry and *Pastoral Juvenil Hispana* with adolescents. The second part of the course addresses the developmental needs of young people and studies their diverse cultural realities in contemporary society. The last section of the course offers practical applications for developing effective ministry and outreach strategies and investigates models of accompaniment of young people—whether active, unchurched or disaffiliated—as they explore their faith and beliefs.

LEARNING OBJECTIVES

This course addresses the following Learning Outcomes of the GPPM Program:

2] Pastoral Proficiency

Familiarity with ministerial practices in various manifestations of church life, expressed in concrete pastoral applications which include discernment, compassion, and ministries of accompaniment.

4] Diversity Fluency

Awareness of and critical engagement with how one's own culture influences ministry, and then to engage in ministries that build the community of Christ and are sensitive to and respectful of all cultures and traditions, and individuals who vary by race, ethnicity, gender, sexual orientation, and dynamics of wealth, poverty, and power.

Course Work:

1. **Informed and Engaged Class Participation (20 points):** Attendance is expected at all face-to-face and online classes. Thoughtful and reflective participation is expected, including sharing comments and questions throughout the course and via Camino, our online class platform. For each class session, you will be awarded up to 2 points: 1 point for attendance in class and 1 point for participating in the online discussion. To earn full credit for each class, participation in class and in the online discussion forum is required.

- 2. **Written Work:** Written work will be evaluated on quality of content, organization, clarity of expression, grammatical correctness, and appropriate citations.
 - a. Reflection paper: Due by Friday, February 7, 2025. (4-5 pages; double-spaced, 12 pt. font; submit via Camino). The purpose of this paper is to articulate and integrate insights from your reading and our class discussion specifically around innovative ways to minister to young people in a culturally diverse and more secular setting. Prominent question for reflection: How does ministry to young people need to change in light of realities of young people today? Considering the immense growth of the Latinx Catholic community, how do we shift traditional anglo-centric youth ministry to reach out to Latinx youth? Other questions for your consideration will be posed in class sessions. Be sure to reference and quote assigned readings up to this point in the class in the reflection paper to show knowledge and understanding of the subject matter.
- 3. **Final Project and Class Presentation:** (15 min.) Each student will select a topic of particular interest or concern regarding youth ministry in their existing ministry. In consultation with the instructor, the student will develop a specific project: for example, it might be a redesign of an existing youth ministry program, an intentional plan to reach the "Nones," ministering to Latinx youth, etc. There is a lot of room for creativity on this project. The key is that this project be something that you can implement in your ministry. I am not interested in a purely theoretical project, but one that is practical and realistic. On the day of our last class, students will give a brief (15 minute) presentation on the project. A written report is required that documents the scope and development of the project (8-10 pages). PowerPoint presentations and other media tools are required and should be submitted along with the paper. Guidelines will be presented in class.

Academic Integrity

The Academic Integrity pledge is an expression of the University's commitment to fostering an understanding of— and commitment to—a culture of integrity at Santa Clara University. The Academic Integrity pledge, which applies to all students, states:

I am committed to being a person of integrity. I pledge, as a member of the Santa Clara University community, to abide by and uphold the standards of academic integrity contained in the Student Conduct Code.

Academic integrity is part of your intellectual, ethical, and professional development. I expect you to uphold the principles of this pledge for all work in this class. I will clarify expectations on academic integrity -- including the use of AI tools such as ChatGPT and course sharing sites for all assignments and exams in this course. If you have questions about what is appropriate on any assignment, please let me know before you hand in work. For more resources about ensuring academic integrity in your work, see this LibGuide on Academic Integrity.

Discrimination, Harassment, and Sexual Misconduct (Title IX)

Santa Clara University is committed to providing all students with a safe learning environment free of all forms of discrimination, sexual harassment, and sexual violence.

Please know that as a faculty member, California law SB 493 requires me to report any information brought to my attention about incidents of sexual harassment or misconduct to the SCU <u>Equal Opportunity and Title IX Office</u> (408) 551-3043. This includes, but is not limited to, disclosures in writing assignments, class discussions, and one-on-one conversations.

Should you need support, SCU has dedicated staff trained to assist you in navigating campus resources, accessing health and counseling services, providing academic and housing accommodations, helping with legal protective orders, and filing a formal complaint with the University or with law enforcement. Please see the <u>Student Resources</u> page for more information about reporting options and resources.

If you or someone you know has experienced sexual harassment or sexual violence and wishes to speak to a **confidential** resource who is not required to report, please contact one of the following SCU resources for support:

- SCU Wellness Center
- CAPS
- Any individual (clergy, counselors) acting in a professional capacity for which confidentiality is mandated by law

I am happy to help connect you with any of these resources.

Accommodations for Pregnant and Parenting Students

Santa Clara University does not discriminate against any student on the basis of pregnancy or related medical conditions. Absences due to medical conditions relating to pregnancy and childbirth will be excused for as long as deemed medically necessary by a student's doctor, and students will be given the opportunity to make up missed work. Students needing accommodations can often arrange accommodations by working directly with their instructors, supervisors, or departments. Students needing accommodations can also seek assistance with accommodations from the Office of Accessible Education (OAE) or from the Office of Equal Opportunity and Title IX Office. This resource page from Title IX provides information for students and faculty regarding pregnancy rights.

Office of Accessible Education

If you have a documented disability for which accommodations may be required in this class, please contact the Office of Accessible Education oae@scu.edu, https://www.scu.edu/oae) as soon as possible to discuss your needs and register for accommodations with the University. If you have already arranged accommodations through OAE, please be sure to request your accommodations through your my OAE portal and discuss them with me during my office hours within the first two weeks of class. To ensure fairness and consistency, individual faculty members are required to receive verification from the Office of Accessible Education before providing accommodations. OAE will work with students and faculty to arrange proctored exams for students whose accommodations include double time for exams and/or assistive technology.

Students with approved accommodations of time and a half should talk with me as soon as possible. The Office of Accessible Education must be contacted in advance (at least two weeks' notice recommended) to schedule proctored examinations or to arrange other accommodations.

In light of shifting health advisories related to COVID-19, exams may be administered online. Students with approved testing accommodations should contact me (at least two weeks' notice recommended) prior to the exam date to notify me of their intent to use their testing accommodations on the upcoming exam to ensure their accommodations are effectively implemented.

Safety Measures

In order to meet our learning objectives, we will adhere to the highest standards for safety and mutual respect. University policy allows faculty to require the use of face coverings in their classrooms. I may request that students wear face coverings occasionally or throughout the academic term. Failure to comply with my request is a violation of the <u>Student Conduct Code</u>, which I will need to report.

Use of Classroom Recordings

All online class meetings will be recorded and made available on Camino. As is stated in the <u>Student Conduct Code</u>: "...Dissemination or sharing of any classroom recording without the permission of the instructor would be considered "misuse" and, therefore, prohibited. Violations of these policies may result in disciplinary action by the University. At the instructor's discretion, violations may also have an adverse effect on the student's grade."

Respect for Diversity

It is my intent that students from all diverse backgrounds and perspectives be well served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength, and benefit. It is my intent to present materials and activities that are respectful of diverse identities (e.g., those based on gender, sexuality, disability, age, socioeconomic status, ethnicity, race, religion, and culture). Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally or for other students or student groups. In addition, if any of our class meetings conflict with your religious events, please let me know so that we can make arrangements for you.

Gender Inclusive Language

This course affirms people of all gender expressions and gender identities. If you go by a name different from what is on the class roster, please let me know. Using correct gender pronouns is important to me, so I encourage you to share your pronouns with me and correct me if I make a mistake. If you have any questions or concerns, please do not hesitate to contact me. For more on personal pronouns see www.mypronouns.org

Wellness Statement

I know you will do the best you can in this class (and all of your classes); however, it should never be at the expense of your own mental and physical health and your overall well-being. Jesuit education is grounded in cura personalis, concern for the whole person—mind, body, and spirit. What does this mean for you? Be kind to others, and more importantly, be kind to yourself. Attend to your sleep (quantity and quality); drink lots of water; move; get outside; and pay attention to beauty that isn't coming to you on a screen. Eat good food, laugh, enjoy friends and family, look for opportunities to connect with others in new ways, pray, meditate, or otherwise attend to your spirit. And ask for help, even if you don't think you need it. Lots of folks, including me, are here to support you. It's never too late to reach out, and I am committed to helping you.

SCU has many resources and programs to support you. These resources may be especially helpful:

Wellness Center: https://www.scu.edu/wellness/

The Wellness center provides resources to aid and promote student well-being across the eight dimensions of wellness, including student peer groups for healthful living, violence prevention, and recovery.

CAPS: https://www.scu.edu/cowell/counseling-and-psychological-services-caps/

Santa Clara students are provided confidential counseling sessions at no cost through Counseling and Psychological Services (CAPS). Students have access to clinically appropriate, short-term therapy; group therapy; and other resources for care. A new 24/7 support line is also available: **408-554-5220**.

SCU Culture of Care: https://www.scu.edu/osl/culture-of-care/

If you are concerned for the mental or physical welfare of one of your peers, the <u>Office of Student Life Culture of Care</u> website provides resources for recognizing and helping someone in distress
