Take COMP exam during last or 2nd to last quarter before graduating						_____	_____

* Students in the Health Emphasis may elect to take either 291 or 320. If 320, 291 is still required for completion of the Health Emphasis. If 291 is taken, it counts both as a "required" course and as an "Emphasis/Elective" course, but it does not double count for units. The student must take an extra elective so that the unit total is 45.
