

# SPSS Install - macOS

**\*\*\* NOTE: If you have an earlier version of SPSS installed, installing SPSS 30 will upgrade your earlier version to 30**

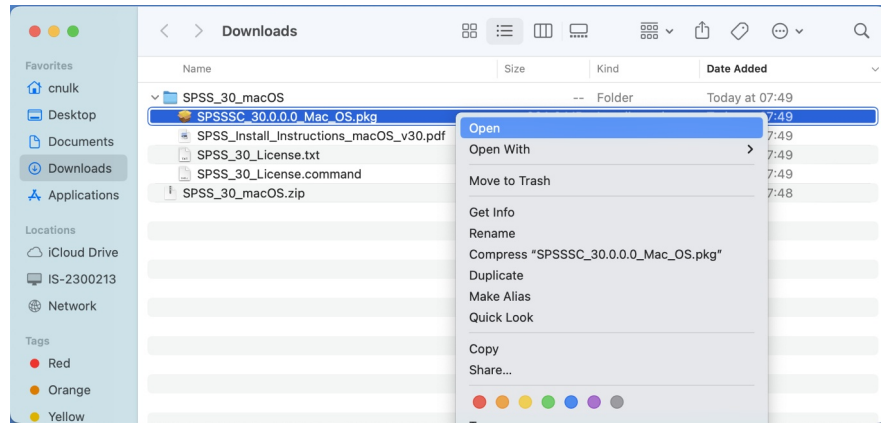

1. Locate the downloaded file entitled '**SPSS\_<version #>\_macOS.zip**'

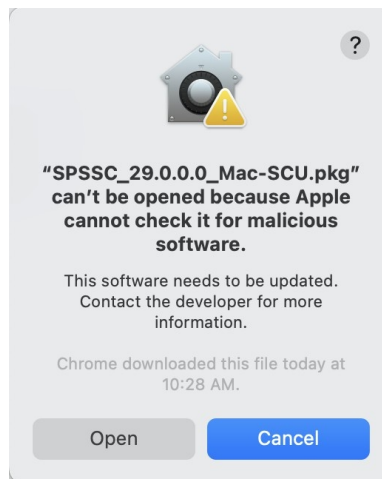

2. Right-click on the downloaded file and select '**Open With**' and select '**Archive Utility**'

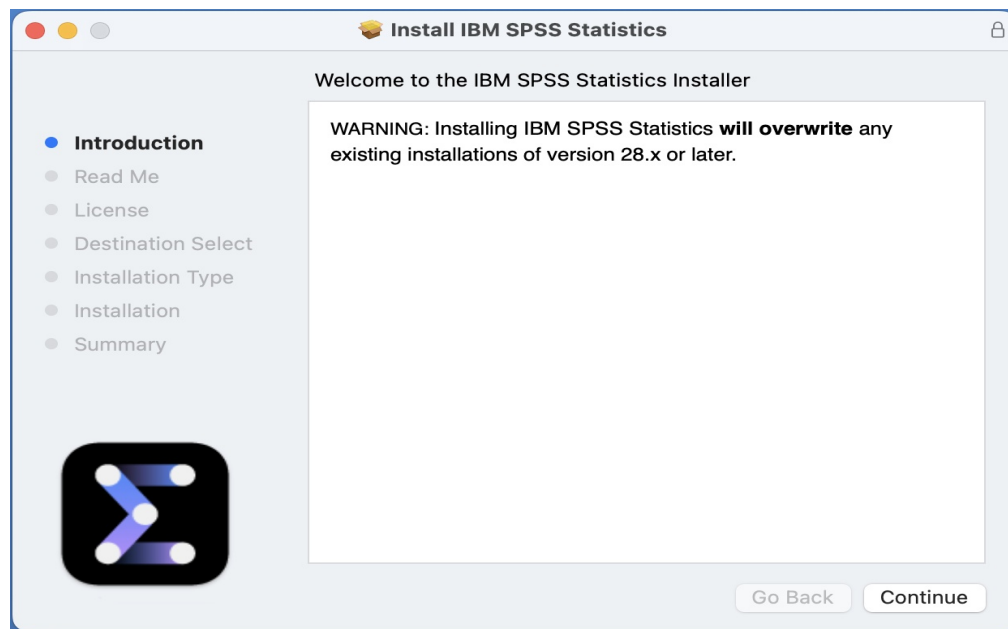

3. Open the folder entitled '**SPSS\_30\_macOS**' that gets unzipped, right-click on the file '**SPSSSC\_<version #>\_Mac\_OS.pkg**' and select '**Open**'

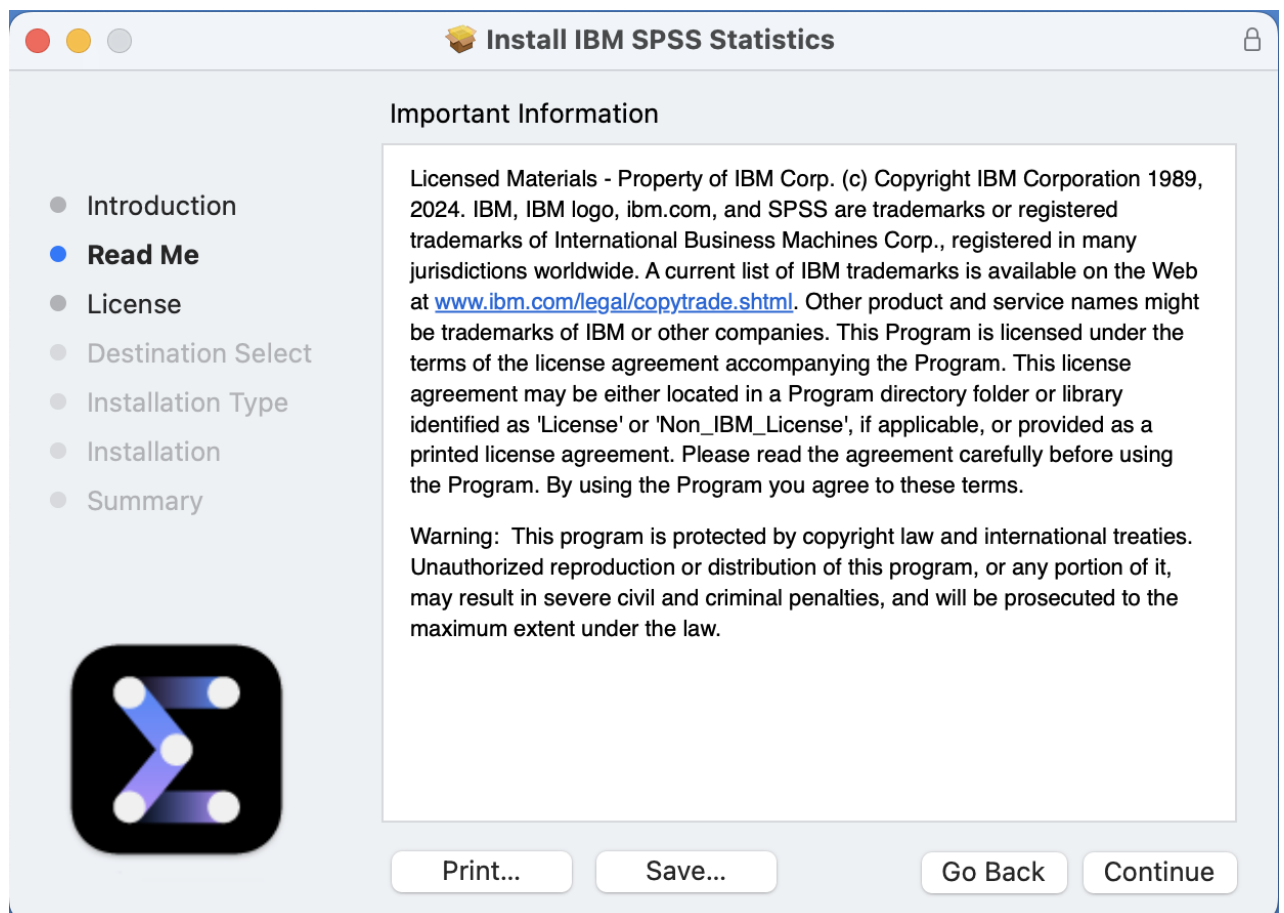

4. Select '**Open**' in the ensuing popup to open the macOS Installer application.

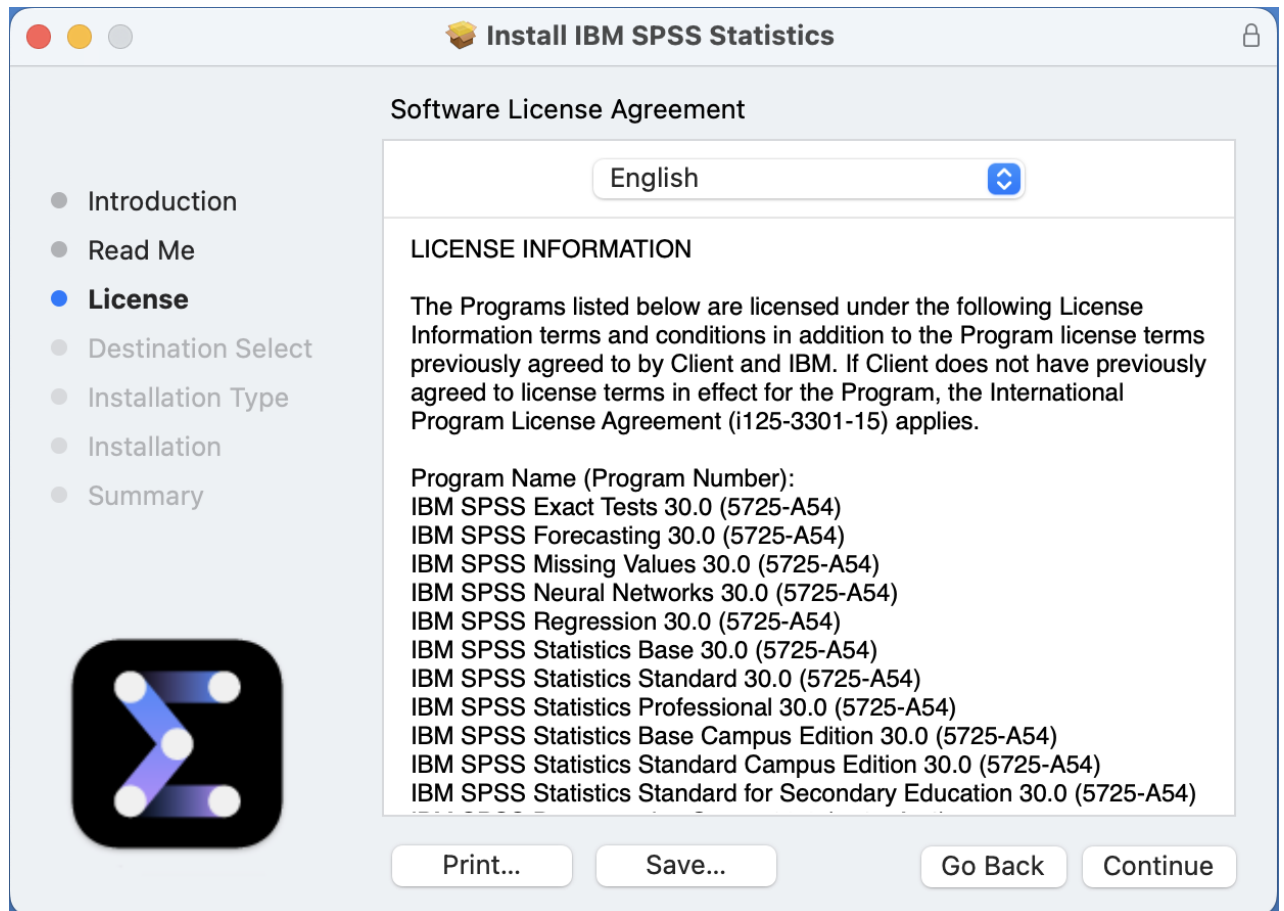

5. Click 'Continue'

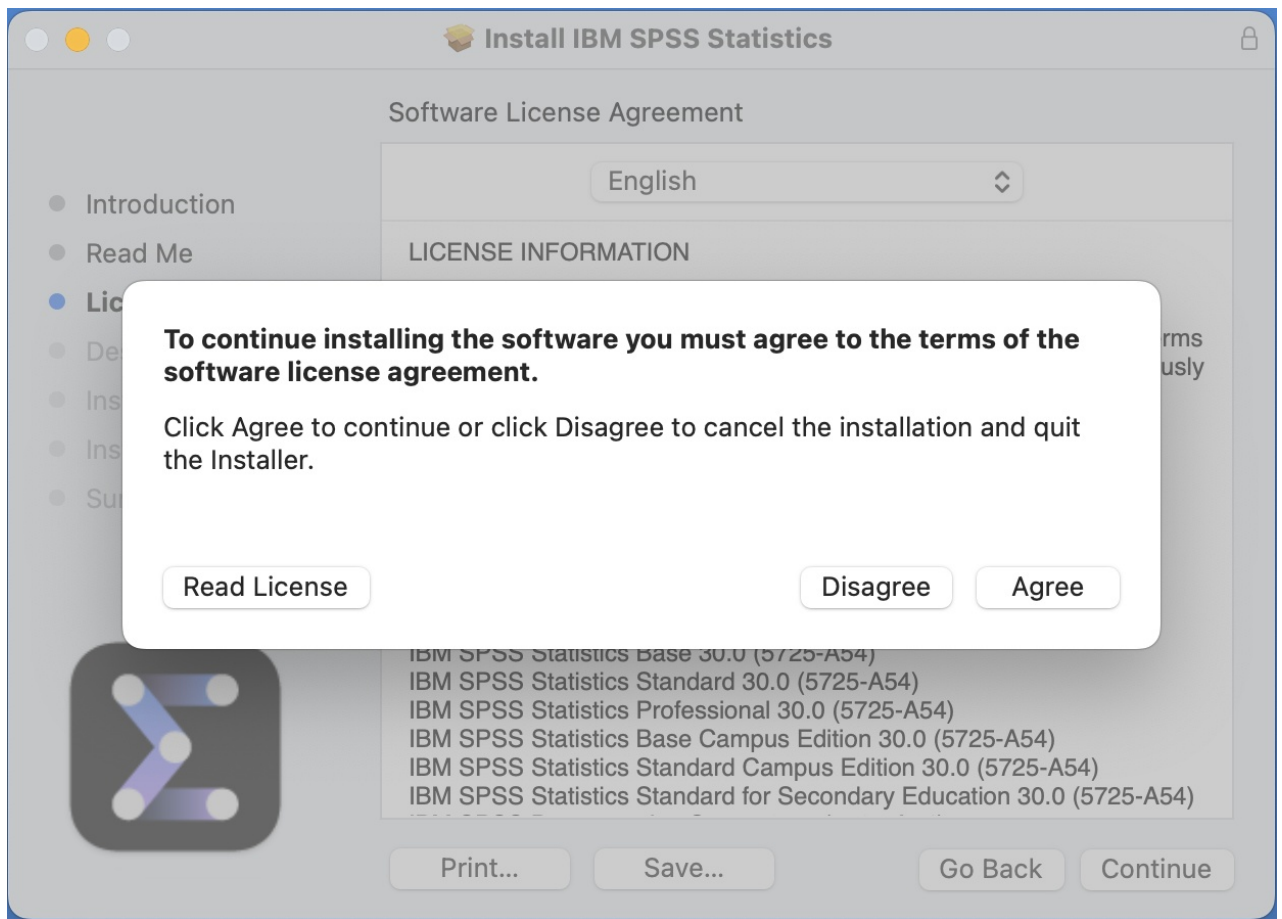

6. Click 'Continue'

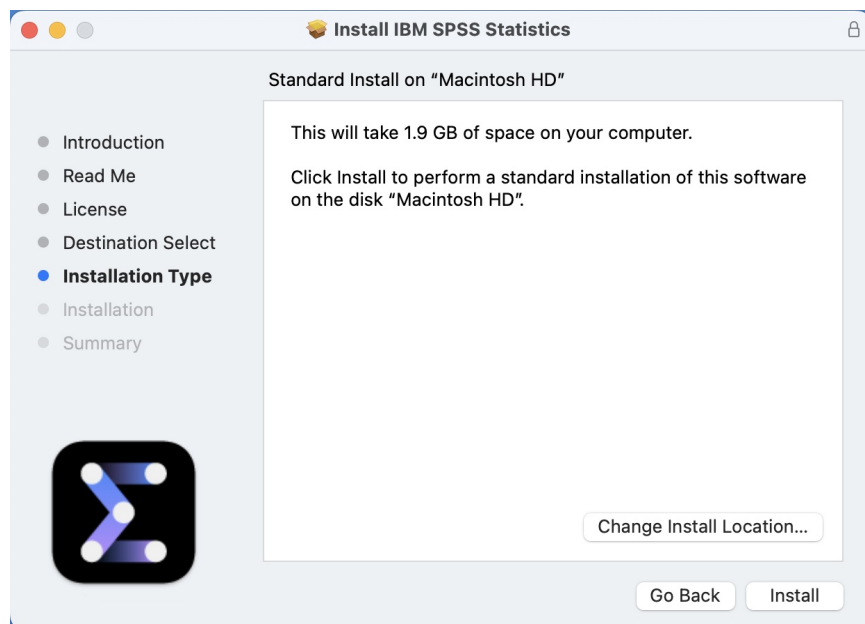

7. Read the '**License Agreement**'.

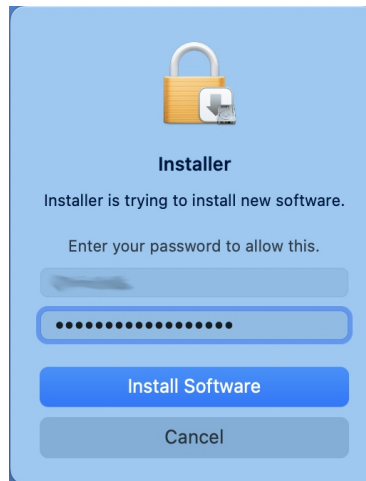

8. Click '**Agree**' to agree to the '**License Agreement**'.

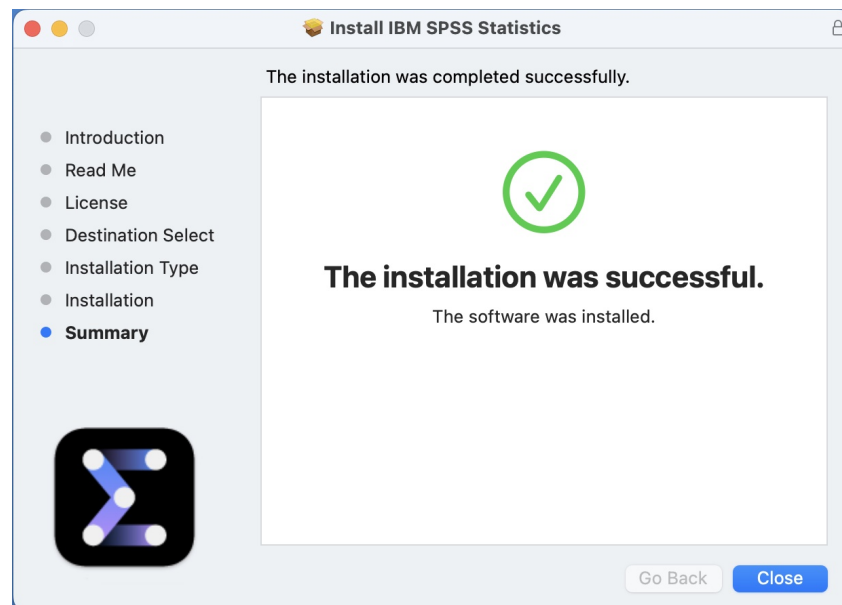

9. Click **'Install'**

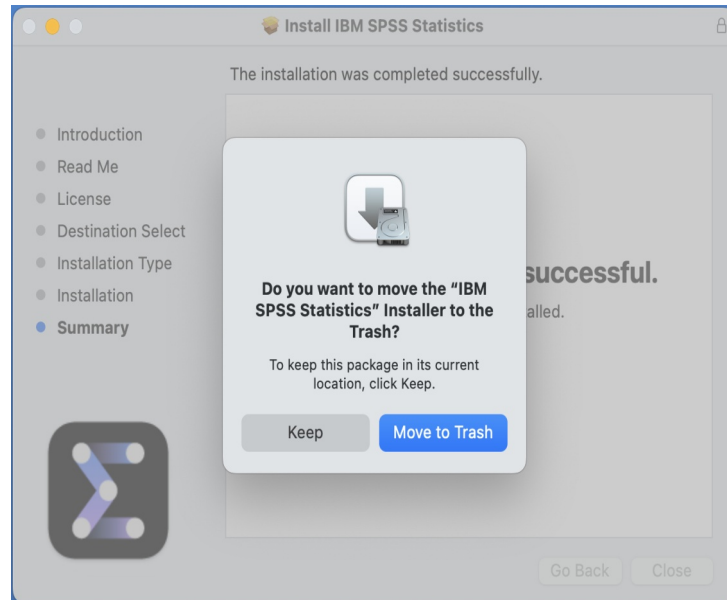

10. Enter your computer login password and click **'Install Software'** to start the installation.

11. When the installation is completed, click **'Close'** to exit out of the installer.

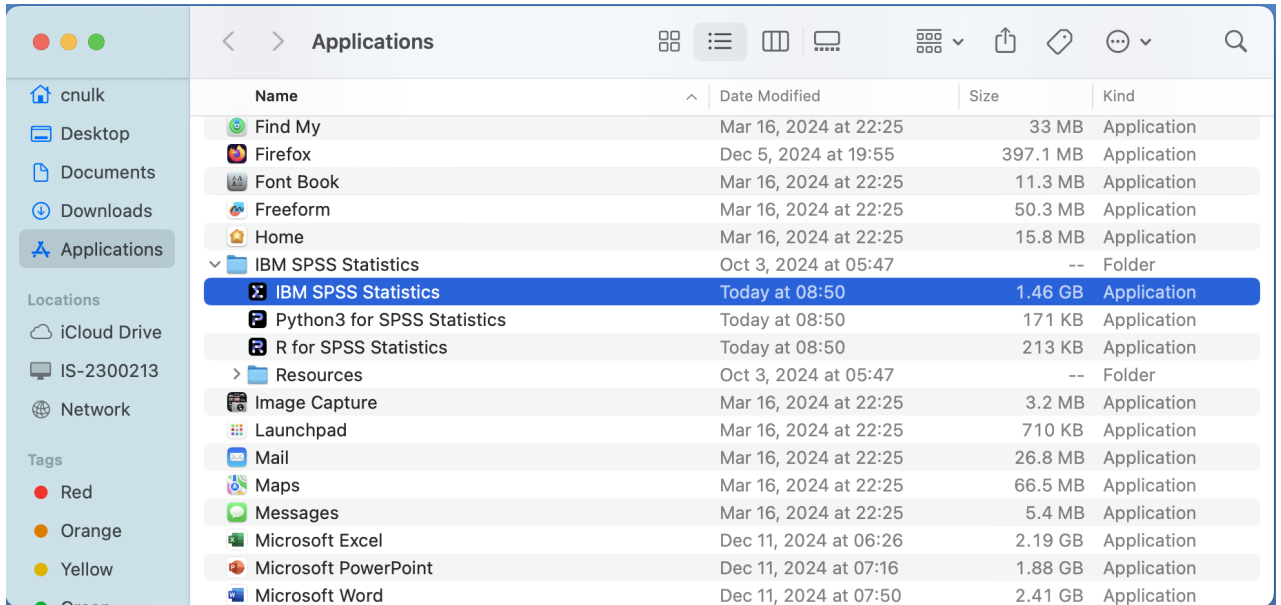

12. If you would like to keep the installer, click '**Keep**'. If you would like to delete the installer, click '**Move to Trash**'

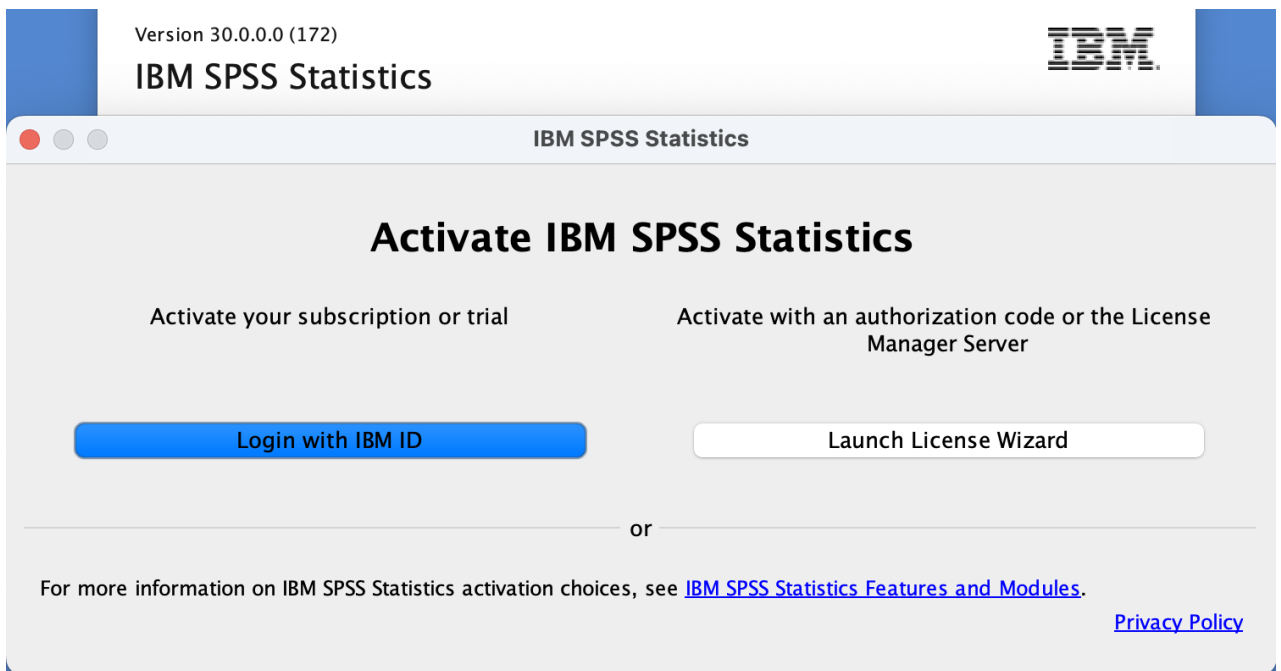

**\*\*\* NOTE: If you have an earlier version of SPSS installed, installing SPSS 30 will upgrade your earlier version to 30**

***After installing IBM SPSS Statistics, you must activate its license.***

1. In the '**Applications**' folder, find the '**IBM SPSS Statistics**' folder, click on the '**v**' arrow to expand the folder listing, then double click on '**IBM SPSS Statistics**' program.

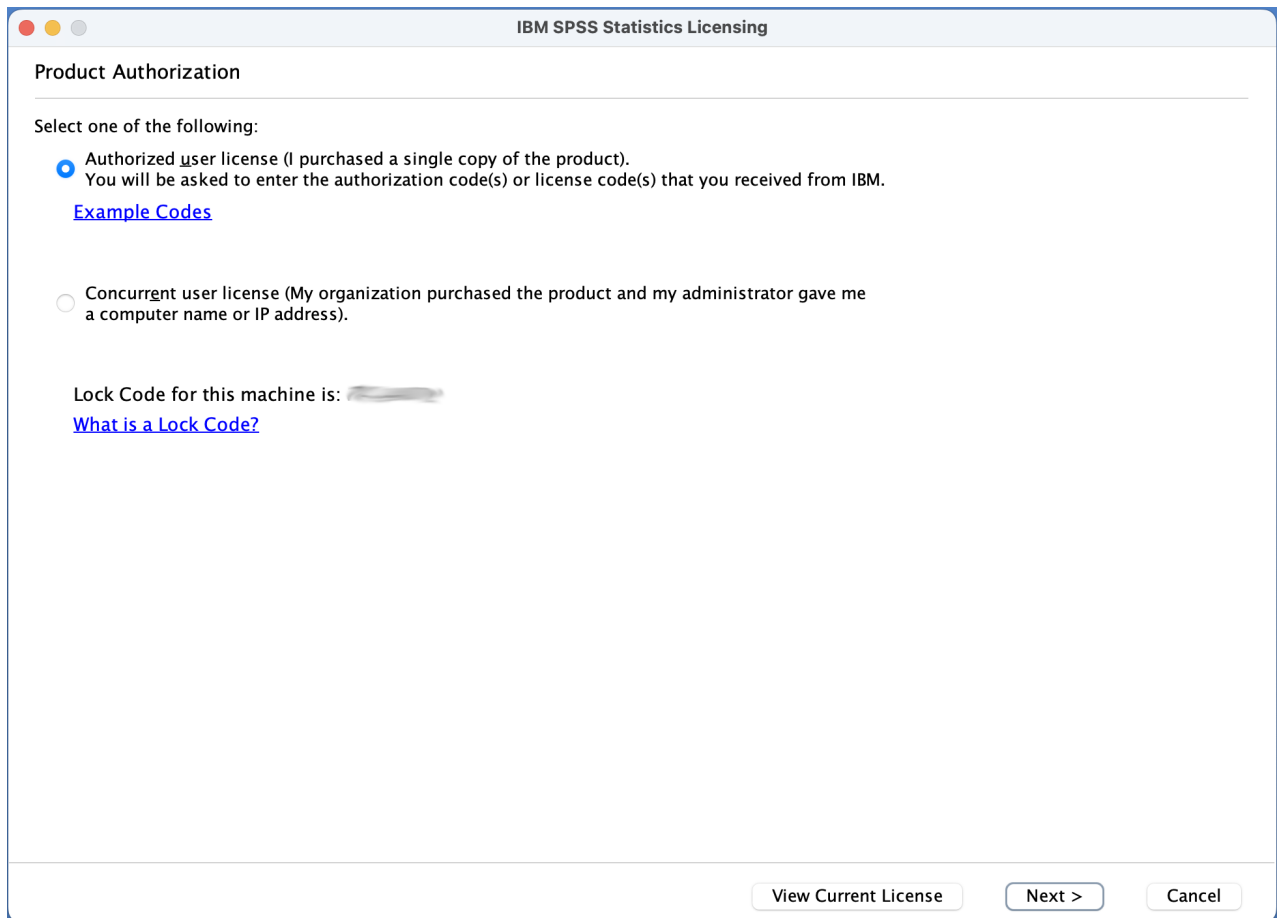

2. Click on '**Launch License Wizard**'

3. Select the **'Authorized user license ...'** radio button, then click on **'Next >'**

The image shows a screenshot of the 'IBM SPSS Statistics Licensing' dialog box. The title bar at the top reads 'IBM SPSS Statistics Licensing'. Below the title bar, the section 'Product Authorization' is visible. Under this section, there is a prompt 'Select one of the following:'. There are two radio button options. The first option, 'Authorized user license (I purchased a single copy of the product).', is selected and followed by the text 'You will be asked to enter the authorization code(s) or license code(s) that you received from IBM.' and a blue hyperlink 'Example Codes'. The second option, 'Concurrent user license (My organization purchased the product and my administrator gave me a computer name or IP address).', is not selected. Below these options, there is a text field labeled 'Lock Code for this machine is:' which contains a blurred grayed-out string. Below the text field is a blue hyperlink 'What is a Lock Code?'. At the bottom right of the dialog box, there are three buttons: 'View Current License', 'Next >', and 'Cancel'.

IBM SPSS Statistics Licensing

Product Authorization

Select one of the following:

☒ Authorized user license (I purchased a single copy of the product).  
You will be asked to enter the authorization code(s) or license code(s) that you received from IBM.  
[Example Codes](#)

☐ Concurrent user license (My organization purchased the product and my administrator gave me a computer name or IP address).

Lock Code for this machine is:

[What is a Lock Code?](#)

View Current License   Next >   Cancel

4. Enter the authorization code into the box, then click **'Add'**. The authorization code can be found in the **'SPSS\_30\_License.txt'** file located in the same folder ('SPSS\_30\_macOS') containing the installation package.
