For Future Lawyers, Doctors, Dentists, and Teachers

Santa Clara offers specialized advising for postgraduate programs in law, medicine and health sciences, and teaching.

Intellectual Curiosity.

We believe learning doesn't start or even end in the classroom. It continues in corridors, labs, neighboring communities, and residence halls. Here you'll be pushed to put theory to practice—something we call experiential learning. We'll prepare you for that dream internship, job, or graduate program.
