## Intellectual Curiosity.

We believe learning doesn't start or even end in the classroom. It continues in corridors, labs, neighboring communities, and residence halls. Here you'll be pushed to put theory to practice—something we call experiential learning. We'll prepare you for that dream internship, job, or graduate program.

### It's Good to be a Bronco.

We have one of the highest retention rates among national universities, and it's easy to understand why. Our courses, experiences available outside of our curriculum, robust student support services, and the sense of community you'll feel from your first day on campus create an environment that's easy to love.

## EDUCATION THAT TRANSFORMS

Only at Santa Clara University do you find a curriculum and faculty that integrate the creativity, energy, and vitality of Silicon Valley with the Jesuit tradition of educating the whole person. That's how we develop leaders driven to build a more humane, just, and sustainable world. It's a powerful combination. And there's an endless list of reasons why SCU is the right school for each new student we enroll.

Dream big—we've got your back.
