

# AMP: Account Creation and Purchasing a Pass (phone app)

1 Download the AMP application from iOS or Google Play stores

Search for **AMP Park** and install the phone application.

Alternatively, you can navigate to [aimsmobilepay.com](https://aimsmobilepay.com) on your phone browser.

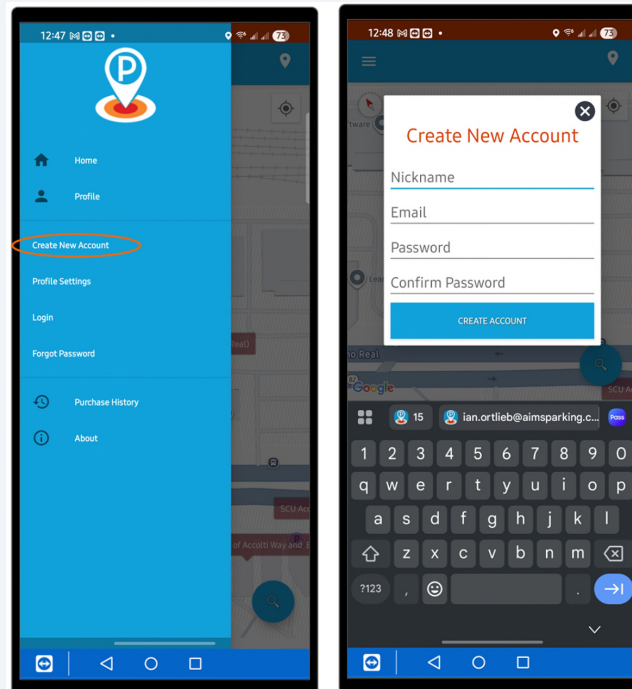

2 Once the app is downloaded and installed, open the application.

**Account Creation:** For full functionality of AMP, you can create an account.

Click on the hamburger in the top left to pull up you app options, including the creation of an account.

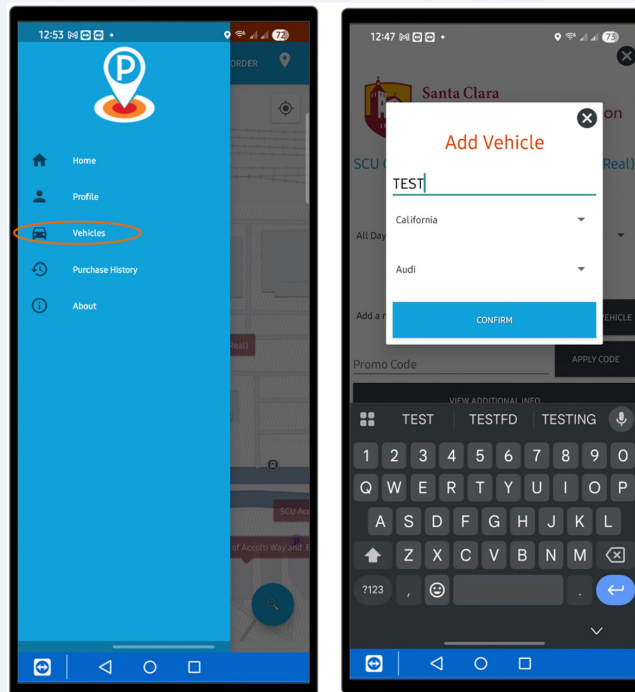

Enter in a nickname for the account, email address, and type in and confirm the password to your account.

3

Once your Account is created, click on the hamburger icon on the top left and click on **"Vehicles"** to add your vehicle(s).

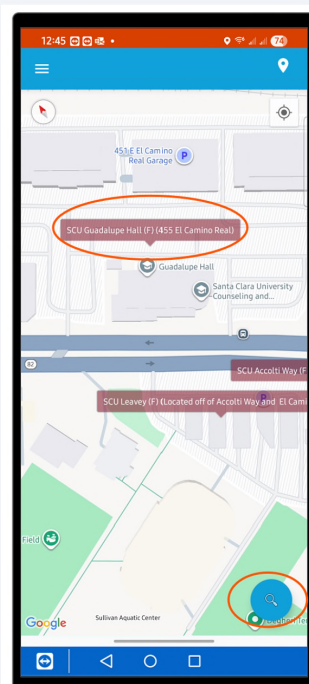

Enter the license plate number, state, and make of the vehicle.

4

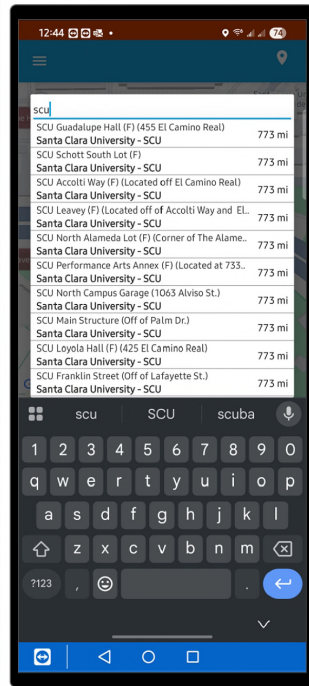

Once the application is open, it will use your phones location settings on a map.

To select the zone, you will need to click on the pin on the map of the zone you are parking and paying in.

5

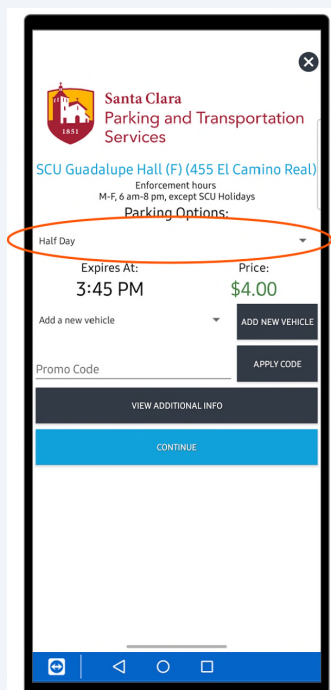

You can also search for a specific zone using the magnifying glass icon. All SCU zones start with **"SCU"**.

6

Once you have selected your zone, now you can pick the time for which you are parking.

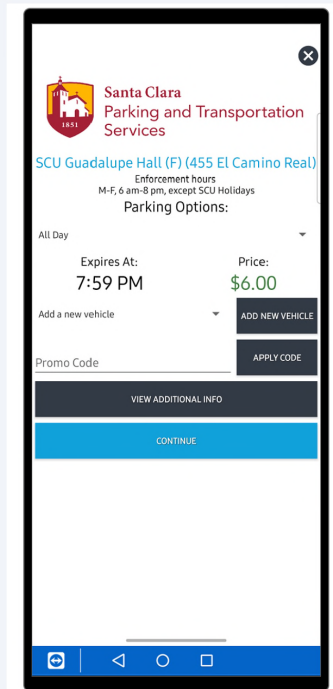

Click the dropdown box to see all options.

7

Once you have determined the length of time required, you can select the appropriate time and continue with the process.

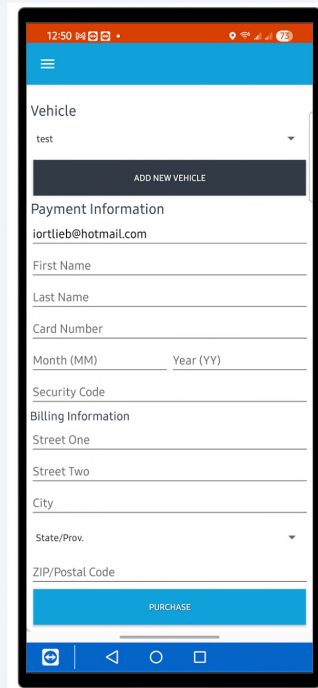

When you are done selecting your time and selecting your vehicle from the dropdown (or adding a new vehicle), you are ready to purchase by hitting "**Continue**".

8

At this screen, you can input your credit card information. Once you have entered your credit card details, click **"Purchase"** to complete your transaction.

An email receipt will be sent the the email address used to create the account.

The screenshot shows a mobile application interface for a purchase. At the top, the status bar displays the time 12:50, battery level, and signal strength. The app's header is blue with a white hamburger menu icon. The main content area is white and contains the following sections:

- Vehicle:** A dropdown menu with the text "test" and a downward arrow. Below it is a dark grey button labeled "ADD NEW VEHICLE".
- Payment Information:** A text input field containing the email address "iortlieb@hotmail.com". Below this are three more text input fields labeled "First Name", "Last Name", and "Card Number".
- Month (MM) / Year (YY):** Two text input fields for selecting the month and year.
- Security Code:** A text input field.
- Billing Information:** Three text input fields labeled "Street One", "Street Two", and "City".
- State/Prov.:** A dropdown menu.
- ZIP/Postal Code:** A text input field.

At the bottom of the form is a large blue button labeled "PURCHASE". The bottom of the screen shows the standard Android navigation bar with icons for home, back, and recent apps.
