

## Dining

### Meatless Mondays:

- Try one of the meatless options in Benson to reduce your environmental impact

### Eco-Trays

- Make a 5 point deposit for all your to-go needs at any time in Benson year round (they even wash it for you!)

If you get tired of Benson, try...

Saturday's 9am-1pm (Franklin Square)

**The Quick Guide to Sustainable Living On-Campus at SCU**

**mission sustainable**

**Brought to you by the Center for Sustainability**

# Reduce

## Water Use:

- Reduce your water use by cutting your shower time by one minute and save 1.5 gallons #BroncosSaveWater

- Washing machine: wash all your clothing with cold water

## Energy Use:

- Turn off the lights and unplug all electric items not in use

## Food Waste:

- Compost pails: Pick up a pail in order to divert waste in your room (email [recycling@scu.edu](mailto:recycling@scu.edu) on how to get your pail!)

# Sustainability

## Events

### Swap for Good:

- A 3 day clothing swap during *Spring Quarter* where students can come swap their clothing with other students

### Eco-Fashion Show:

- A one night event in *Winter Quarter* where students get to show off their fashion skills by making outfits out of reusable materials

### Residence Energy Challenge:

- Residence halls compete in the Energy Challenge during the month of February (*Winter Quarter*)

# Resources

## Share Shelf:

- Located in the Multicultural Center (MCC) Shapell Lounge, the Share Shelf is a program where you can give, take, and share used office and school supplies

## Center for Sustainability:

Located in Varsi Hall 202; home of the sustainability interns and staff
